

## **JOB PLACEMENT ASSISTANCE. . .**

Each CyberTex Institute of Technology (CIT) campus maintains a list of every job opening, the company name, the company contact information, the job description, the job title, and the resume submission date. CIT also maintains a job posting bulletin board where students can view current job openings as well as an online bulletin board which is updated more frequently.

Our Career Services team works with each student both before and after they graduate. Before entering the job market, students can count on career advising for guidance on:

- Career Fairs
- Externships
- Resume Writing
- Interviewing Techniques
- Salary Negotiation Skills
- Career Development Workshops
- Graduate Employment Assistance
- Student Employment During Enrollment
- Internships
